

East Malling Short Courses for the Amateur Gardener

Facilities at EMR are second to none. Our amateur pruning courses at Bradbourne House have been a huge success and the use of Hatton Garden an invaluable asset. We have scored an amazing 4.7 out of 5 in our satisfaction surveys so far.

4.7 out of 5 satisfaction rating!

The newly refurbished training room on the EMR site is also proving to be ideal, easy parking, self-contained, comfortable and airy with a supply of endless teas and coffees. The 2 course lunches served in the modern Bramley's restaurant have also been a hit.

If you require any other training you just have to call us to see what we can do for you.

If you have a large group, or can gather a group together between your own and other organisations, EMSC can set a date to suit you and offer discounted prices.
